### History of the Band

Since its birth in 2009, Cougar Bait has established themselves as one of Boston's premier electronic bands. With the highly anticipated, upcoming release of their debut *Through the Other Side* the threesome has been gaining active airtime on several FM and internet radio stations, playing sold out shows throughout the northeast, as well as earning the title "2014's Best Electronic Act" by Pulse Magazine. The band's unique style of blending multiple genres such as house, electronica, hip hop, pop, and rock through the use of live instrumentation has become a highly demanded dance floor powerhouse that audiences cannot seem to get enough of. Cougar Bait has been taking the scene by storm, playing iconic venues, landing premier festival slots, and sharing the stage with today's hottest acts.

Available for interviews, performances, tours, and events.
